

Global **Student** Challenge

Certificate of Achievement

The Board of Directors of the Global Student Challenge hereby acknowledges the participation of

Lê Gia Bảo

in the **Online Global Final** of the Global Student Challenge
hosted by **Windesheim University of Applied Sciences** from May 1st until May 5th, 2023.

The Global Student Challenge was developed to identify the best student talents worldwide
and to provide them with the opportunity to build an international network with future leaders.
The world's leading Supply Chain Management business simulation game, The Fresh Connection, was used to challenge the participants.
